

FORNI PIZZA SERIE
"TECNO".

I forni pizza della serie
"TECNO" si caratterizzano per la loro linea sobria, rivestimento esterno completamente in acciaio inox, possono essere dotati di comandi meccanici oppure di pannello di controllo elettronico.

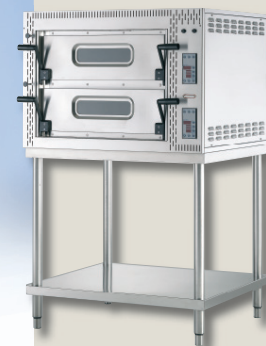

"TECNO"

PIZZA OVENS.

The "TECNO" series of pizza ovens are characterized by their sober design. With external casing in stainless steel they can be equipped with either mechanical or electronic control panels.
